The logo for the 'Werte' project is a graphic design. It features a central heart shape. The top half of the heart is formed by two hands, one on each side, with the fingers pointing towards each other. The bottom half of the heart is a dark blue gradient. A white banner is draped across the middle of the heart, with the word 'Werte' written in a large, elegant, cursive font. Above the banner, in a smaller font, is the text 'WERTEPROZESS FÜR DEINEN'. The entire logo is set against a white background.
